On the second day, on the 12th of April, two staff members from E-Juniors association (EJU) welcomed all participants in their premises in Paris. First of all, the agenda was presented to the participants with further discussion on the working days. After that, all participants had an opportunity to play a quiz Khoot on European citizenship and value. Afterwards, an external facilitator came and presented the e-Protect project that aims at consumer and data protection platform for older and younger users: <https://eprotect-project.eu/>

Finally, the morning session was closed with the presentation of Planet B EU funded project that uses Digital Breakouts to build knowledge on climate change for younger generations. An external presenter came and carried out the debate session on how youth can influence the climate change issues nowadays.

In the afternoon, the partnership visited a digital and immersive experience called Atelier des Lumieres that drowned them in the world of Cézanne and Kandinsky painters in the very heart of Paris. The day was closed by the visit of the Marais neighbourhood and the social dinner in Paris.
