

4th Newsletter- (GEM) inter-Generational European Memories

The fourth meeting of GEM partners took place on 20 and 21 March 2014 in Rome (Italy).

The delegates from the following countries participated at the meeting: Austria, France, Poland, Spain and Turkey and the meeting was hosted by the Italian partner ERiFo. To summarise our meeting, each aspect of the planned programme has been implemented.

During the meeting each partner presented its results of the biographic workshop with seniors and explained how they organized the workshop and how they collect all the materials to write the biographies. During the session, we discussed and agreed upon such topics as date of the last meeting and final dissemination event and the planes for the future.

The coordinator give to the partners some indication to prepare the presentation for the last meeting in Poland that will be a special moment to disseminate the results of Gem project.

The following tasks have been established by the partners:

- 26-27.06.2014 – the next meeting in Wroclaw (PL)
- 15.04.2014 – evaluation of IV partner meeting, evaluation and report (Italy)
- 15.04.2014 – IV Newsletter (Italy)
- End of May- sharing the presentations for the last meeting
- 06.06.2014- Meeting and the science conference in Wroclaw (the end of project)
