

**Minutes Consortium Meeting *E-Chance for Women Entrepreneurship*
Istanbul, 16th of April 2015**

Presentation of Database of Women Entrepreneurs by all partners

1) Presentation by SSU (Turkey)

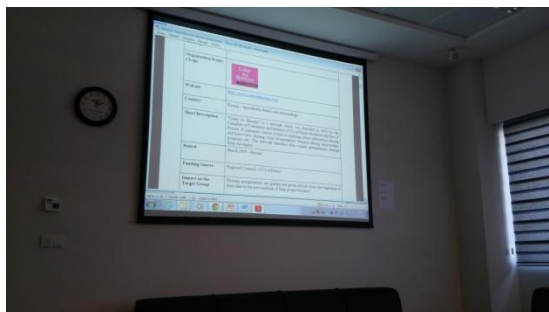

SSU selected 13 good examples from all around Turkey.

2) Presentation by ILI (Germany)

ILI presented some good examples of women entrepreneurship in Germany but they didn't complete it totally. They will add other organizations next weeks in the coming weeks.

3) Presentation by M3-MCube (France)

M3-MCube presented the database with 10 good examples from all around France (Paris, Lyon, Reims, Marseille etc.)

Newsletter discussion

ILI presented the final version of the newsletter n°2 and M3-MCube presented and distributed the newsletter n°3 prepared during the end of 2014. Then there was a discussion about what we should put in the last newsletter that will be realized by SSU.

Training programme

- The program will be maximum 15 pages
- The final version of this program developed by SSU will be ready by the 20th of April, then we will start to translate it in all languages
- Each partner should implement some trainings in their countries with this training platform
- Tolga will send us the login name & the password
- To prepare the evaluation
- To make a short video with two end-users that participated to meetings abroad

Lunch at the university with all partners

Dissemination activities presented by each partner

- **SSU:** Ayse and Tolga presented this project during a kick-off meeting for another project at the university and they planned two seminars about Communication for Business and Basic Internet Usage for Potential Women Entrepreneurs, and another one about “How to hire staff in your enterprise?”
- **ILI** produced a table of dissemination activities they will send us via email in order to each partner could fill in the table.
- **M3-MCube** presented the French flyer. The project has been disseminated during local and international events in which it took part.

Discussion for the next meeting and the final report

- Revision of training programme
- Video recording with 2 persons in each partner country
- Official minutes will be sent to all partners by SSU (request from French National Agency)
- Dissemination activities (Claudio will share the template to summarize dissemination activities for all partners)
- E-Newsletter n ° 4 draft version will be prepared for the final meeting
- Finalisation of the databases
- For EST, the consortium has to prepare common results (minutes, training program, database etc.)
