# m-Com Project

The main aims of the m-Com Community Media Empowering program are:

- to develop educational approaches in a community-driven context, to empower workers and volunteers in volunteer and Civil Society Organizations (CSOs) through Community Media Literacy,
- to develop programs to include “clinic courses” in media content creation, new ICT technologies, media culture education and social media training,
- create a thematic network dedicated to Community Media training for existing and aspiring CSO workers.

- Institut E-Seniors – France
- DIMITRA Institute of Training and Development – Greece
- Associazione “Comunicareilsociale.it” – Italy
- Centre for Social and Educational Initiatives (CIES) – Poland
- Marmara Egitimciler Dernegi – Turkey

# September 2012: Cyprus Community Media Centre (CCMC) in Nicosia (CY) hosted the 1<sup>st</sup> transnational partnership meeting

September 2012: Kickoff meeting of the European-Union-sponsored, Leonardo-Da-Vinci Lifelong-Learning's "Community Media Empowering Program" hosted by the Cyprus Community Media Centre (CCMC) in Nicosia (CY). The project involves partners from Cyprus, Greece, Turkey, Spain, Italy, Poland and France.

Its goal is to establish a community-media e-learning platform, supplemented by a comprehensive training curriculum with courses on different aspects of community-media production.

# Needs Analysis summary

As a result of the needs assessment the following areas came out as the most requested by our partners members and beneficiaries:

- 1- Social Media Training
- 2- Working with the Media
- 3- Newsletter Creation
- 4-Video production and editing
- 5-Strategic Communication, Campaigning and Advocacy
- 6- Effective Blogging

As a follow up the training materials for these areas will be ready with all our partner's contribution and country specific needs will be added to the each template.
