ACTIVITIES

From September 2013 to September 2014, the four partners involved in this project have established different kind of activities and products (see page 2).

We are developing several activities and products as **business plans, business glossary or business games**. Moreover, **dissemination activities** are continuing in order to promote the project and to share experiences regarding methods of entrepreneurship trainings.

All these project works have been reported in the Intermediary Report in June.

MEETINGS

Since February 2014, three meetings took place in order to discuss between partners the progress of the project and to talk about the further project activities:

- **Paris, France** in April 2014
- **Jelenia Gora, Poland** in June 2014
- **Assen, Netherlands** in October 2014

The next meeting is scheduled in Paris in March 2014.
