### Project meeting in Valencia

On October the 3<sup>rd</sup> and 4<sup>th</sup>, the EduSexAge project partners met in Valencia, Spain, hosted by FyG Consultores partner. ## HERE’S WHAT WE HAVE BEEN UP TO

### PR1 “Users’ requirement report” available!

The Users’ report is a needs analysis that compliments the review of academic/scientific literature that the project partners undertook, and this needs analysis will serve as the foundation for the development of results two and three, which are educational courses for older people and health and social care professionals respectively.

You can find the report here: <http://edusexage.eu/userreport/>
