Press release

"FACIT: Fostering Active Citizenship Competencies" 3rd Transnational Project Meeting

Details about the meeting

- Dates of the meeting: 27/28 October 2022
- Where was held: Comunità Sant'Egidio, Milano (IT)
- Host organization: Integra Onlus
- Whom attended: Integra Onlus (Italy), Fattoria Pugliese Diffusa (Italy), Kainotomia (Greece), Association E-Juniors (France), Geoclub (PT)

● Aim of the meeting: The staff members met during the last TPM to evaluate the project, its results, and its impact. The final result, the „FACIT Toolkit”, was another point of discussion, and the partners left comments on the design (what should and/or not be added/changed). The second session was dedicated to the administrative and financial aspects, and what documents are needed for the final report.

- The agenda (short description) and the speakers/facilitators of the meeting

During this meeting, the FACIT discussed the final output - how and to whom to be disseminated it. Other aspects that were discussed are related to the communication and dissemination campaign, the final report, and the administrative and financial steps of the project. Moreover, the next phase, tasks, and deadlines for the dissemination campaign have been settled together. The meeting ended with an evaluation session for both the meeting and the project management itself.
