

# FAKE NEWS & ELDERERS

## THE CONFERENCE

The European Conference on **“Digital Transformation and Active Aging”**, took place in Athens on Wednesday, February 14, 2024. It was organized by the Athens Lifelong Learning Institute with the presence of all Fake News & Elders partners coming from Poland, Italy, Spain, Czech Republic and France.

It aimed to highlight the **issues facing seniors in the modern digital age** and to foster an **open dialogue on active ageing and the digital inclusion** of older people.

Among the topics discussed were the following:

- Misinformation and fake news
- Active ageing and inclusion
- Intergenerational dialogue and digital literacy

## LAST PARTNER MEETING IN ATHENS

The Partnership met for the last time in Athens in order to discuss the final tasks for the project results as well as to prepare the work on the final report.

This project has been funded with support from the European Commission. This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

## PARTNERS MULTIPLIER EVENTS

During the last two months of the project, the partners have organized **multiplier events** in their countries in order to **disseminate project's results** and to communicate materials developed in the framework of the Fake News & Elders project to the relevant stakeholders and target group itself.

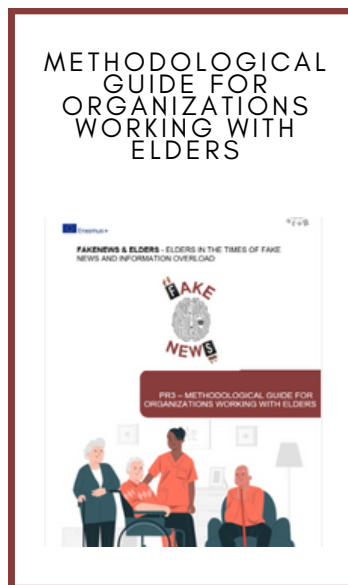

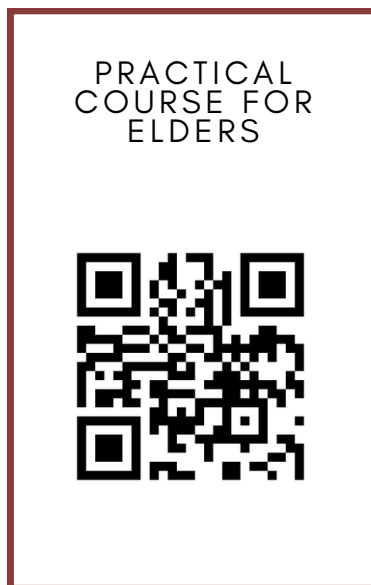

Each partner gathered **at least 30 participants among adult educators, social workers, ICT trainers and elderly persons** to whom all project's outputs as well as the platform have been presented. Here below, all the materials can be downloaded from this document.
