

Sustainable Action Training for Youth – SUSTRAINITY

(2019-3-FR02-KA205-016556)

The “Sustainable Action Training for Youth” (SUSTRAINITY) co-funded by the Erasmus+ Programme of the European Union project is going to organize a Learning Teaching Training Activity online (LTTA).

It will take place on the zoom platform between November 29th and December 1st 2021 from 9 am to 1 pm.

The Partners of the project E-Juniors Association (France), Matera Hub (Italy), Markeut Skills (Spain), Danmar Computers (Poland), InnoHub Valencia (Spain) have recruited 4 young wannabe entrepreneurs from each country to be part of the training activity.

SUSTRAINITY aims at fostering the sustainable initiatives undertaken by youth, providing them with comprehensive tools which will help them in the implementation of sustainable projects.

The LTTA is offering to the participants a wide range of knowledge and practical activities on each topic of sustainability such as social, environmental and economic. There will be time to discuss, share ideas and develop new skills. Europass certificated will be generated then to each participant in order to attest their attendance.
