# Asociația Culturală GAUDEAMUS

---

- **Asociația Culturală GAUDEAMUS** is a school-based NGO and was founded in 2006.

- The association deals with educational programmes for adults and pupils.

- In 2007 the association promoted three educational programmes which were included in the National Educational Programme of the Romanian Ministry of Education.

# Asociația Culturală GAUDEAMUS

---

- There are some 50 members in our association.
- Many of the members of the organization are teachers at Liceul Teoretic *Petre Pandrea* and are involved in many activities regarding the promoting of new and modern technologies and didactic materials.
- The association collaborates with other NGOs and schools in Romania and some European countries, promoting talent, imagination, social inclusion, culture and traditions, educational software.

# Asociația Culturală GAUDEAMUS

---

- Our organization supports the teachers and students of Liceul Teoretic *Petre Pandrea* to develop non-formal learning projects, national and international educational contests, different workshops.
- We are also involved in international project such as Grundtvig, having finished recently *The Ethnographic Handicraft Workshops through Europe*, *The Social Inclusion of Adults with Down Syndrome through Internet projects*.
- Asociația Culturală GAUDEAMUS has supported Liceul Teoretic *Petre Pandrea* in Comenius projects with schools from Great Britain, France, Sweden, Finland, Germany, Portugal, Italy, Poland, Spain, Belgium, Bulgaria and Turkey. These projects have added an international dimension to the education we provide to the adults and pupils.
