Everything Was well organised and thank you for the warm hospitality. Very positive.
Very nice social program and a good presentation of host organisation. We appreciate it.

Again: Hospitality was excellent

I liked the way of living: Calm but with a lot of energy

The hosts were obviously seeking to provide a very good mixture of an interesting and impressing social programme. Thanks a lot to José and colleagues who put a lot of work into this meeting which we really enjoyed!

Comments on the event

German partner

It was very impressing to watch a big paella for 20 persons being prepared at a beach. This gave us a feeling how important it seems to be in Spain to enjoy high quality food on the one side and being together with family and friends on the other side.
